ENVIRONMENTAL POLICY STATEMENT

We at Absolute Environmental Ltd are becoming increasingly aware, not only of global concerns, but more particularly those of our own local environment.

As members of the community, we also share its concerns and will endeavour to ensure that we minimise adverse effects our operations may have on the environment.

The company will achieve this commitment of safeguarding the environment by undertaking the following:

- comply with all existing legislation
- implement procedures to prevent pollution to land, air or water
- take environmental factors into consideration in any new developments or contract works
- improve the environmental impact of the company's activities
- collect and monitor information regarding the environmental impact and record of the Company
- respond to the needs and concerns of the community promptly
- reduce waste and consumption of natural resources wherever possible
- co-operate in any investigations concerning hazardous emissions or incorrect disposal of hazardous waste
- be amongst the leaders in environmental sensitivity
- be pro-active in supporting the Government initiative policy of working well together
- Be aware of the COSHH Amendment Regulations 2004
- Be aware of the Environmental Protection Act 1990
- Work within all relevant Asbestos Regulations 2006 and ACOP procedures

To reach these goals we will:

- give appropriate training and financial company resources will be made available to ensure that all staff members have the skills to implement the above policy
- aim to recycle or reuse a minimum of 85% of all none Asbestos materials removed from site
- deduct costs incurred from jobs when quoting work to the general public to minimise the instances of fly tipping
